

An affordable manual screen with a refined finish.

The second generation of the Plaza screens offers an unequalled finish at that price level: high performances material with black borders, opaque black back, extra-drop.

The case is in lacquered aluminum with an elegant design. It can be simply mounted on the wall or the ceiling and even slot in a box. Moreover, it utilizes an automatic locking system allowing an easy and useful adjustment to the dimensions wished for projection.

Easy to install

Wall or ceiling

Automatic locking system

Specifications
